*Session 3:
Exploring Best Practice in Health Care
Eastern Maine Health Systems
Brewer, ME*

Thursday, October 27, 2011

Sponsored by EMHS

Learning Goals:

- A better understanding of what “health care system” means
- A better understanding of the best practices EMHS is using to deliver quality care at an affordable price
- A better understanding of the challenges of health care delivery in rural Maine

Directions: 43 Whiting Hill Road ~ Brewer, Maine

From I-95 North or South, take I-395 East, (This is the first Bangor exit when traveling from the South and the last exit when traveling from the North. You will be heading East toward Brewer, Ellsworth and Bar Harbor.) Proceed East to the end of the I-395 connector. Distance is approximately 4 miles. Stay in the left lane under the over-pass and proceed onto Wilson Street heading toward the Brewer business district. Turn left at the first light onto Dirigo Drive, across from Lowe’s. Take next left onto Whiting Hill Road. The Cianchette Building is at the end of this road.
