

The Maine Employers' Initiative is pleased to announce a new educational benefit now available to all employees and their immediate family members.

We have partnered with the **New England College of Business (NECB)** who will provide a tuition discount for MEI employees & employers pursuing online college education. **This will enable members to pursue an Associate, Bachelor's or Master's degree at an affordable cost.**

How much will MEI member employers and employees save?

As a partner company to NECB, **employees and their family members** will save 25% on tuition. **NECB will also waive the application fees for Employees and employers who enroll before September 6.**

Some details you should know about NECB:

- **Accredited** by the New England Association of Schools and Colleges (NEASC)
- **100% online** – Degree programs are tailored for working adults
- **Career-focused courses** - taught by industry experts and business leaders
- **No time limit** on transferring applicable credits

Employees or employers can call [800.997.1673](tel:800.997.1673) to speak to an enrollment specialist, [Download a Free Brochure](#), or go to www.necb.edu for more information.
