

Call for Applications

2010 MAINE DOWNTOWN NETWORK

Main Street at a Lighter Pace

Application deadline: April 23, 2010

BACKGROUND

Healthy, thriving downtowns and neighborhood commercial districts are assets to communities endeavoring to sustain or grow their local economy and create or retain jobs. The Maine Downtown Center (MDC) helps communities throughout the state develop local leadership to revitalize their downtown economy, preserve and enhance their appearance, and boost the image of their traditional business districts using a range of services and assistance.

We utilize the successful Main Street Four-Point Approach®, developed by the National Trust for Historic Preservation, as our foundation for assistance.

1. **Organization** helps everyone work towards the same revitalization goals and maximizes involvement of public and private leaders within the community;
2. **Design** preserves and protects historic buildings and community character and enhances a downtown's appearance through streetscape improvements and pedestrian amenities;
3. **Promotion** attracts visitors and residents, shoppers and diners, and help create a positive, exciting atmosphere downtown;
4. **Economic restructuring** stimulates business development and helps strengthen the downtown economic base through business retention and recruitment.

OVERVIEW OF THE MAINE DOWNTOWN NETWORK

The Maine Downtown Center, a program of the Maine Development Foundation, was founded in 1999. Our three-tier program includes the Main Street Maine and Maine Downtown Network programs and the Downtown Institute, an annual training series. The latter two began in 2009. Currently, seven communities in seven counties participate in the Maine Downtown Network (MDN): Augusta, Bucksport, Farmington, Lisbon, Millinocket, Norway and Presque Isle. The MDN program provides a range of services and assistance to meet a variety of community commitment and readiness levels. The MDN is for communities just starting a downtown revitalization effort and/or those hoping to achieve Main Street Maine status.

MDN services help communities build an appropriate organizational and funding base for a comprehensive downtown or neighborhood commercial district revitalization program.

Participation as a MDN community does not guarantee selection as a future designated Main Street Maine community, although it will help communities strengthen their revitalization efforts. A core feature of the service to MDN communities is access to training by state and national downtown development experts. MDN communities will have the opportunity to learn about best practices in the field, apply what they've learned, and to network with peers from around the state.

TWO PRIORITIES FOR 2010 APPLICATIONS

- Communities who have demonstrated an interest in learning how to apply the Main Street Four-Point Approach are invited apply. Specifically, this includes attendance at Maine Downtown Conference and Downtown Institute sessions.
- Communities ready to revitalize their downtown the following five counties will receive priority scoring: Cumberland, Lincoln, Piscataquis, Waldo and Washington. This priority will help accomplish our goal of reaching every county in Maine and growing the Network.

CALL FOR APPLICATIONS - MAINE DOWNTOWN NETWORK

Due to program funding limitations, this is a competitive process. The Maine Downtown Center expects to add a maximum of five Maine Downtown Network communities in 2010.

Application Deadline: April 23, 2010

Electronic submission is required. Send to Roxanne Eflin at reflin@mdf.org.

Checklist of items to include, in order, in your application (ONE PDF, attached to email):

- ✓ **Town or City**
- ✓ **Coordinating Applicant/Organization/Department**
- ✓ **Lead Contact name and title**
- ✓ **Lead Contact information (address, phone(s), fax, email and web address)**
- ✓ **List of the names, titles and contact information of all key people involved with your downtown efforts**
- ✓ **Describe Your Downtown** The boundaries/primary focus area of the organization must be:
 - A traditional central business district and center for socio-economic interaction, characterized by a cohesive core of historic and/or older commercial and mixed-use buildings that represent the community's architectural heritage. It may also include compatible in-fill development.
 - Have a sufficient mass of businesses, buildings, and density to be effective.
 - Typically arranged with most of the buildings side-by-side and fronting the sidewalk along a main street with intersecting side streets. Compact, easily walkable, and pedestrian-oriented.
- ✓ **Provide streetscape photos (minimum of four from multiple angles) and a map of the downtown district indicating the boundaries of your focused efforts.**
- ✓ **Describe Your Organized Effort:** A well organized effort is broad-based and comprised of downtown stakeholders (merchants and business owners), residents and municipal government. Describe the committee structure, leadership and volunteers who will manage and inspire the downtown program.
- ✓ **Provide a Budget Summary:** Income and Expenses and sources of each, including in-kind contributions. Maine Downtown Network communities must be willing to work toward developing diversified and sustainable program funding for their downtown efforts.
- ✓ **Pledge Your Commitment**
 - The Main Street Four-Point Approach® provides a proven and comprehensive approach specifically designed to address the issues and opportunities of traditional commercial districts. Following this approach is a requirement of initial and on-going participation, and is the foundation of all MDC assistance. Regular communication with the MDC is required.
 - A partnership agreement and an annual participation fee ranging from \$250-\$1,000 (based upon population) are required from all Downtown Network communities.
 - Representatives must attend MDC trainings (minimum of three per year) to remain active as a member of the Maine Downtown Network. Discounted registration at both the Downtown Institute and the Downtown Conference is intended to stimulate participation.
 - Services from the Maine Downtown Center are provided for two years; however, participating communities must actively build organizational readiness to remain at this level for the entire commitment period. The Downtown Network-level membership with the Maine Downtown Center does not authorize a local organization to use the Main Street trademarked name.
