

MDF Message on COVID-19

MDF is here as a partner and connector during the COVID-19 crisis for members, leaders, legislators, communities, businesses, and organizations. We regularly update our website/social media channels to highlight resources and ways Mainers are supporting Mainers.

And as we have for 42 years, we will continue to be here for you as a steadfast, non-partisan support for leaders and communities on the road to economic recovery once the health emergency has subsided.

Together with you, we continue our mutually impactful work uninterrupted. Our work is perhaps more important now than ever, as is constantly assessing how we can adapt to meet emerging needs. While MDF's physical office in Hallowell is closed to external visitors, we can all be reached by email and phone so please keep in touch!

COVID-19 Resources and Quick Links

For more information on community and business resources, programming updates, events, leadership development and other ways to stay involved/participate in our work, visit the corresponding section of our website:
