

## CARPENTRY CONTRACTORS & CUSTOM MILLWORK

*The following companies/individuals have indicated that they have experience working with historic buildings and have asked to be included on this list. There may be other qualified companies/individuals that are not included because they have not requested to be listed. This list is distributed with the understanding that the Maine Historic Preservation Commission does not recommend, endorse, or assume responsibility for the quality of work or guarantee that any of the work produced by those on the list will necessarily meet the Secretary of the Interior's Standards. **The Commission strongly recommends that organizations/individuals seeking contracting services request and check references, and review pertinent National Park Service Preservation Briefs (<http://www.nps.gov/tps/how-to-preserve/briefs.htm>) for a basic understanding of how specific types of work should be carried out.** The quality of work completed by a firm may differ substantially from project to project depending on which of the firm's craftsmen are actually undertaking the work; therefore it may be appropriate to request references for individuals who will be working on your specific project. Maine Historic Preservation Commission, 55 Capitol Street, Augusta ME 04333, 207-287-2132.*

## WOOD SHINGLE ROOF CONTRACTORS

*The following companies/individuals have indicated that they have experience working with historic buildings and have asked to be included on this list. There may be other qualified companies/individuals that are not included because they have not requested to be listed. This list is distributed with the understanding that the Maine Historic Preservation Commission does not recommend, endorse, or assume responsibility for the quality of work or guarantee that any of the work produced by those on the list will necessarily meet the Secretary of the Interior's Standards. **The Commission strongly recommends that organizations/individuals seeking contracting services request and check references, and review pertinent National Park Service Preservation Briefs (<http://www.nps.gov/tps/how-to-preserve/briefs.htm>) for a basic understanding of how specific types of work should be carried out.** The quality of work completed by a firm may differ substantially from project to project depending on which of the firm's craftsmen are actually undertaking the work; therefore it may be appropriate to request references for individuals who will be working on your specific project. Maine Historic Preservation Commission, 55 Capitol Street, Augusta ME 04333, 207-287-2132.*
